COVID-19 RESPONSE

• All patients and visitors must check in at front desk.

• No one under age 18 (except if parent of a patient) is permitted to visit the center, including waiting areas and common spaces.

• Only 1 adult visitor allowed per patient for all areas of the center.

• Visitors with flu like symptoms – runny nose, fever, cough – will not be permitted to visit the center if symptoms are present.

• Visitors with international travel may not visit for 14 days after arrival into the U.S.
